

Community Tree Planting

Earth Week 2024

If you're looking for ways to get involved in this year's Earth Week activities, plan to be a volunteer at the **Community Tree Planting** event.

Date: Saturday, April 20, 2024

Time: 10:00 am - 1:00 pm

The St. George Lions Club will be serving a free BBQ lunch on site for volunteers

Location: Jacob's Woods Park, St. George

41 Hampton Court, St. George

What to bring?

2024 Goal: 
475 trees planted!

Shovel

Gloves

Closed toed footwear

Rainwear

For more information, visit brant.ca/EarthWeek

Tree planting benefits wildlife by creating habitats for birds and animals and helps clean the air. As well, the area is in a Source Water Protection Zone and tree planting helps keep the land healthy.

Special thanks to our Diamond Sponsor - Brant Waterways Foundation and our partners the St. George Lions Club, the Grand River Conservation Authority and Brant Tree Coalition for their time and efforts!
